Letter to ad buyers of 2009

Name

Address

City

Dear MICA H Friend and Patron,

Thank you for your great support of our 2009 ad Book Campaign!

Your participation made this major fund raising campaign a great success helping to raise more than \$22,000 for our vital community work. Your ad reached over 3500 readers, who rely on the Ad Book as a valuable reference and resource throughout the year.

Please join us again to be include in the 2010 Ad Book – and take advantage of a special 10% discount in appreciation of your past year’s support.

The enclosed order form lists all the options available to you. In April, 2010, we will print 1200 copies of the book, with the initial distribution at our Faith and Justice Reception held with our 35 member congregations. Following that, we will have a wide distribution with all the numerous community allies we collaborate with to achieve social justice advocacy goals.

MICA H continued its legacy of success in 2009. After two years of concentrated effort, the MORE Ordinance (Milwaukee Opportunities for Restoring Employment) was passed by the Milwaukee Common Council. The ground-breaking measure requires developers to hire more underemployed city residents with prevailing wage payments. We have had successes in securing alcohol and drug treatment options for low income people; standing with our immigrant brothers and sisters in their struggle for immigration reform; and obtaining in-state tuition rates for children of undocumented workers who enter he Wisconsin state university system.

In spite of the recession/depression, MICA H is experiencing an exciting time of renewal, as we reflect on more than 20 years of faithfulness in the struggle for justice. I invite you to stay with us on the path for justice and support our work.

Sincere regards,

Rev. Louis Sibley, III,  
MICA H President
